**BECAUSE WE  
ARE WORKING  
HARDER THAN  
EVER TO  
REGAIN YOUR  
TRUST**

## *Because We'll Do Whatever It Takes*

The buck stops here. We're working harder than ever to rebuild your trust and the confidence of your customers...our valued retailers.

We are committed to making quality and safety

# #1

## *Because Together We are Stronger*

We are making immediate changes at all levels of our business to ensure that Evanger's Pet Foods will be as safe as possible.

We are instituting new tests and safeguards, including tests for contaminants at time of delivery and after canning each batch.

We are participating in multi-level certifications, inspections and safety programs.

We support other family-owned businesses and local family farms.

We've pulled out all the stops to move into our new manufacturing facility as fast as humanly possible.

## *Because Pet Parents Love Our Food*

Over 1 billion delicious meals have been served to date, enough to feed every dog in the world breakfast and dinner today.

Pets and their two legged humans have loved Evanger's Pet Food for 82 years.

We are proudly taking the lead in the development of stronger manufacturing and testing safeguards, and in the promotion of legislation that will make pet food and the entire pet food industry safer for all.
